SAFETY ISSUES

With more than 6,000 runners and walkers in 2016, Rock 'N Race has become a meaningful community event. We want it to stay that way and ensure everyone's safety. For that reason and to adhere to USATF rules: **no bikes, roller blades, skateboards, headphones or pets** will be allowed on the course.

Individuals pushing strollers are prohibited from running in this event and must register as walkers.

These are serious safety issues and will be enforced.

Become a Superstar!

At the \$85 level and together we will rock the cancer world! Contribute an additional \$50 to Payson Center for Cancer Care and help keep our registration fees low.
